VENICE, *June* 19.

NOTWITHSTANDING our Hopes of an Accommodation between the Turks and Ruſſians, Hoſtilities ſtill continue. According to our laſt Letters from the Levant the Ruſſians have debarqued a Number of Troops at the Iſland of Tenedos, ſituate to the South-Eaſt of Lemnos, in order to lay ſiege to the Caſtle which defends the Port, which is very proper to favour their projected Enterpriſe againſt the Dardanelles, from whence this Place is but a few Leagues diſtant. This News is confirmed by Letters from Otranto.

LONDON.

July 25. Diſpatches of a very private, and it is ſaid very important Nature have been ſent to the Garriſons of Gibraltar and Minorca; and all the Officers that are now abſent from their Quarters, are commanded to return with all poſſible Expedition.

We are informed that in the next Seſſions of Parliament, Priſoners for Debt will be ſo far relieved, that ſuch as are willing to give up their Effects to their Creditors, will be releaſed from Confinement. And all Bankrupts, who have ſurrendered their all, will be free from Arreſts. But the moſt ſevere Puniſhments will be inflicted on fraudulent Debtors, or ſuch as ſecret a ſingle Shilling from their Creditors.

L—d C——m, we hear, was lately informed that he might have the next vacant Garter for aſking; but he anſwered, that, when he recollected the Things upon whom the Order was hourly conferred, he thought it a Diſgrace to any Man of Honour or Senſibility.

L—d A——r was arreſted on Friday laſt, and taken from his Houſe, Old Bond-Street, to the King's-Bench-Priſon, where he remained ſome Days, unable to procure Bail, though the Debt was not very conſiderable; but he has ſince been releaſed upon the Bail of his Uncle.

Letters from Poland, by Yeſterday's Mail, adviſe, that the Turks had attacked a Body of 3000 Men, commanded by Prince Repnin, who were preparing to retake Giurgewo, and that the Ruſſians, after defending themſelves till Night, retreated to Buchareſt, after loſing a great Number of Men.

The Commander on the Jamaica Station, has lately ſent home, requeſting ſome more Ships to be ſent out, as the Spaniards ſhew Signs of committing Hoſtilities.

Tueſday Night Orders were ſent down to Portſmouth and Chatham, to fit out ſeveral more Men of War as ſoon as poſſible, which we hear are to ſail with ſome others (fitting out there before) to the Weſt-Indies, it being ſtrongly ſuſpected that the French have ſome Deſign on thoſe Iſlands, which are already at War within themſelves, and it is pretty certain that they have been the Promoters of it; it is alſo ſaid that ſome of the Men of War are to be ſtationed ſome Time at Virginia, and the reſt at S. Carolina.

It is ſaid that the late Diſpute between the French Ambaſſador's Servants and the Conſtables, at a Publick-Houſe in Crown-Court, Weſtminſter, cannot be ſettled, and in all probability will be the Foundation for a War, a Meſſenger having been ſent to Paris for Inſtructions how the Ambaſſador is to proceed further in the Affair, who returned from thence Yeſterday.

It is the Opinion of the Politicians at the Weſt-End of the Town, that England will be at War with both France and Spain before the Expiration of Eight Months. [*London Packet.*]

Some Propoſitions of a very ſingular Nature relative to the Miniſtry, will ſhortly be preſented to a great Perſonage by ſome leading Men in the Minority. [*Ibid.*]

The following is the King of Sweden's Speech, at the Opening of the Dyet, on Wedneſday the 15th of June; and is looked upon as a Maſter-piece of Eloquence.

MOST noble, moſt reverend, truſty and well beloved, the Men who compoſe the Four Orders of the Swediſh People.

Every Thing at this preſent Moment, even the very Place I occupy, calls to my Mind, as it does to yours, our great and common Loſs. When the States of the Kingdom terminated their laſt Aſſembly, they beheld in this Place a King, reſpected and beloved, ſurrounded by affectionate Subjects, and Three Sons, who diſputed with them the Advantage of giving him the ſtrongeſt Proofs of their Veneration and their Love. In the ſtead of a Sight ſo affecting, you now behold only Three Orphans, overwhelmed with Grief, who mingle their Tears with yours, and whoſe Wounds bleed afreſh at the Sight of thoſe which ſeem to rend your Hearts.

The Tears of Subjects are the moſt glorious Monuments that can be raiſed to the Memory of a good King. Thoſe which you ſhed this Day, are a Spur to me that animates me to Virtue, and an Encouragement to merit, after the Example of a Father ſo ſincerely regretted, your Attachment and Confidence, by Clemency and Goodneſs.

I ſhall ſay nothing here about the Tranſactions of Government, ſince your laſt Meeting. You will be informed of them by the Pieces that ſhall be communicated to you. My Abſence did not permit me to effect any Thing for the publick Good; however, if we have the Happineſs now to ſee Peace reign at home and abroad, Friendſhip preſerved, and Confidence ſecurely eſtabliſhed with the Neighbours and oldeſt Allies of this Kingdom, theſe are the Fruits of the Prudence and Wiſdom of Adminiſtration, to which I am glad to teſtify publickly here my Acknowledgment.

As to the Object of the preſent Aſſembly, I think I need not ſay any Thing about it. You know what the great Change that has happened in this State requires of you; you know your Rights, and it is to exert them that you are here convoked. For that End, I wiſh you the Bleſſing of Heaven, that Peace and Unity may preſide in all your Counſels, and lead them to a happy Iſſue.

Born and educated among you, I learnt from my earlieſt Youth to love the Country, to conſider it as the greateſt Happineſs to be a Swede, and as the greateſt Glory to be the firſt Citizen of a free Country.

All my Deſigns will be fulfilled, if the Reſolutions you are going to paſs, contribute to ſtrengthen the Felicity, Glory, and Independence of this Nation; to ſee it happy, is the firſt Object of my Wiſhes; to govern it free and independent, is the laſt End of my Ambition.

Do not think, *my dear Swedes*, that theſe are empty Profeſſions, belied, perhaps, by the ſecret Motions of my Heart; they are the faithful Expreſſions of what that Heart feels; too upright not to be ſincere; too haughty to be ever falſe to its Engagements.

I have ſeen ſeveral Countries; I have endeavoured to attain a Knowledge of their Morals, their Form of Government, the Situation more or leſs advantageous of their People. I have found, that it is neither arbitrary Power in the Hands of the Prince; nor Luxury and Magnificence; nor Treaſures amaſſed by Oeconomy, that can render the Subjects happy; that can become ſo only by Concord, and the Love of the Country. It then depends ſolely on yourſelves to be the happieſt Nation on Earth. Let this Dyet be diſtinguiſhed for ever in our Annals by the Sacrifice of every private View; of every Rancour of perſonal Jealouſy, to the grand Intereſt of the publick Weal. I ſhall, on my Side, contribute to the utmoſt of my Power to conciliate your divided Minds; to re-unite your Hearts alienated from each other, that this Aſſembly may become, with the Bleſſing of the Moſt High, the Æra of a permanent Felicity to this Kingdom.

I aſſure you all, and every one in particular, of my Royal Good-will and Protection.

Extract of a Letter from Windſor, July 26, copied from an Evening Paper of Saturday.

——"As to the Ceremonial, you knew as much of it before it took Place as we do now; you will perhaps wiſh to hear a few of the Occurrences of the Day.

"After Dinner the new Regulation of the Lord Steward took Place about the Scramble; as it was thought a better Plan of *Oeconomy* to carry the Victuals to the Mob, than to let the Mob come to the Victuals. Accordingly the Windows of the Caſtle were thrown open, and the Proviſions toſſed out to the gaping Croud below. A Cloud of Hams, Chickens, Patties, Haunches, and Delicacies of every Kind, with Knives, Forks, Plates, Table-Cloths and Napkins, their *Companions*, darkened the Air. This was ſucceeded by Showers of Liquor; ſome conveyed in Bottles properly corked, but the greater Part in Rain. The Scramble was more diverting than any Part of the preceding Farce. You would ſee one ſtooping for a Fowl, and a great Ham falling plump on his Back; another having a Fork ſtuck in his Shoulder, and looking up to ſecure himſelf from more of the Arrows thus flying by Day, received a creamed Apple-Pye full in his Face. A Beef-eater having loſt his Cap in the Scuffle, had his Loſs repaired by a Veniſon Paſty falling inverted upon his Head. A Bargeman who had juſt ſecured a noble Haunch of Veniſon, was retiring as faſt as he could with his Booty, and ran with it full againſt the Back of Lord ——, and made an Impreſſion on it ſo like a Gridiron, that all the Mob, after they ceaſed their Laughter, cried out, Smoke the Merry Andrew.

"Our Inn-keepers and Inhabitants are more diſappointed than any, for they aſked ſo extravagantly before the Day for Lodgings, Proviſions, and Accommodations, that you have a Bed, Stabling, and every Convenience where you pleaſe, and for what you pleaſe. I muſt inform you, that Two or Three Days before the Inſtallation, it was almoſt impoſſible for any of the Inhabitants to get Proviſions at any Rate, as every Thing was kept for this Day; ſo that we had like to have ſtarved in the Midſt of Plenty, but fortunately for us, the Melancholy News arrived that a Brother of the Queen was dead, and the Inſtallation would be poſtponed. Immediately the Price of Proviſions ſunk almoſt to nothing; and had the Report continued for many Hours, the Ceremony of throwing Proviſions out of Window would have begun ſooner than to Day.

"As I have been generally entertained with the Folly of this Feſtival, it is with pain I mention, that it has been concluded with a ſerious Riot, in which there has been much Miſchief."

Auguſt 1. The Duke of N——d, we hear, would be very happy to compromiſe Matters with Adminiſtration, ſo as to come into play with them; ſomething introductory to that End is now in Agitation.

Auguſt 2. An American Governor has already made Application by his Friends here, for leave to return.

We hear another Petition, Addreſs, and Remonſtrance, is already reſolved on, by that reſpectable Body the Livery of London, who ſo lately vanquiſhed miniſterial Influence, with a Spirit that will merit the Thanks, Love, and Admiration of future Ages.

The Artificers in Portſmouth Yard work one Tide extraordinary every Day, to get forward the naval Preparations.

An Evening Paper ſays, the following Intelligence may be depended on: Four more Men of War are to be ſent from ſome of our Out-Ports, to join Admiral Harland in the Eaſt-Indies. The like Number are to reinforce Sir George Pococke at Jamaica. A Squadron of Force is to be ſent into the South Seas, and ſeveral Cruiſers are to be employed in the Baltic, and other Places.

A Squadron of Six Men of War and Two Frigates, is now fitting out at Chatham.

Four Men of War of 64 Guns each are now fitting out at Plymouth to cruiſe in the Bay of Biſcay. It is ſaid the Honourable Captain Barrington will have the Command.

We are credibly informed, that the Spaniards are making the greateſt naval Preparations at Cadiz and Carthagena; and are continually exporting Men and Arms to their Settlements in the South Seas, and on the Continent of South America.

The Portland Man of War of Fifty Guns, Captain Elliot, is ordered to be fitted out as faſt as poſſible for the Weſt-Indies; the Favourite, Captain Biggs, and the Falcon, Captain Baines, are ordered for the ſame Place.

Wedneſday all the Knights of the Garter that remained in Town ſet out for Windſor, with a prodigious Number of the Nobility and Gentry, of both Sexes.

The Governor of the Leeward Iſlands has made Application for the Protection of his Government.

Yeſterday a Council was ſummoned to meet this Day at St. James's, on ſome Affairs of great Importance.

The Thoughts of the Intelligent are now placed upon an approaching War, and we are aſſured, the commencing Hoſtilities, with a neighbouring Power, is the ſerious Advice of ſome leading Members in our Councils.

We are told that the Miniſtry have in Agitation a grand Stroke to play off againſt the Enemies of Great-Britain; which it is thought (even by their Opponents) will in caſe of a War effectually throw the Balance of Popularity into his Scale.

Auguſt 3. Advice is received that the Empreſs of Ruſſia has rejected Seven of the Articles of Peace drawn up for Ratification between Ruſſia and the Porte.

It is ſaid ſome very unpleaſing Accounts were received on Saturday Night in an Expreſs from the Britiſh Ambaſſador at Conſtantinople.

Auguſt 6. They write from Plymouth, that the Regiment lying in the Barracks at the Dock there, has Orders to hold itſelf in readineſs to embark for North-America.

Another Remonſtrance to the King is in Contemplation, wherein it is ſaid the Lord Chamberlain's Letter to the Citizens, with their conſequential Reception at St. James's will have a capital Place.

It was reported this Morning that very ſatisfactory Anſwers have been received by our Miniſtry from the Court of Verſailles and Madrid, regarding certain Caſes now upon the Point of being happily terminated.

We hear it is in Contemplation at the Admiralty Board to Advance the Pay of Midſhipmen and petty Officers on board the Royal Navy.

The young King of Sweden is to be crowned at Upſal on the 3d of September next.

Letters from Paris mention, that to ſuch a Height are the publick Diſputes in that Metropolis arrived, that the King has doubled his Body Guards; for there is great Reaſon to ſuſpect that there are yet Damiens left in France.

Ruſſia, emboldened by her late numerous Succeſſes over the Turks, and particularly thoſe on the Banks of the Danube, &c. has grown very haughty in her Conventions with the Porte about a Peace. It is now inſiſted on, on the Side of Ruſſia, that in Caſe of a Ceſſation of Arms, all the immenſe Tracts of Land, and conſequently all the Navigation, North of the Black Sea, ſhall be immediately added to her.

BOSTON, *September* 23.

Captain Brace, on his Paſſage from Falmouth, fell in with Admiral Spry, who with Six Sail of the Line was cruizing off Scilly, and was detained by him ſeveral Hours.

CHARLES-TOWN, *Auguſt* 19.

On Thurſday Evening laſt, a Duel was fought, with Piſtols, in a Room in Mr. Holliday's Tavern, on the Bay, between Doctor John Haly and Peter Delancy, Eſq; Poſtmaſter-General of the Southern Diſtrict of North-America, which unhappily ended in the immediate Death of Mr. Delancey. The Diſtreſs of the Families of both Parties may be more eaſily imagined than deſcribed.

His Honour the Lieutenant Governor has been pleaſed to appoint William Henry Drayton, Eſq; to be Deputy Poſtmaſter-General of the Southern Diſtrict of North-America, in the Room of Peter Delancey, Eſq; deceaſed.

NEWBERN, *Auguſt* 23.

Since our laſt arrived in Cape Lookout Bay, in a diſtreſſed Condition, a Spaniſh Snow, having on board the Crews of Two Regiſter Ships, which were caſt away on the Bahama Banks, on their Paſſage from the Havannah to Old Spain. They have ſaved all the Money that was in the Regiſter Ships (an immenſe Sum) which the Snow has now on board. There are a Hundred and Eighty Spaniards on board, with Four Engliſh Priſoners, who were taken in the illicit Trade on the Spaniſh Coaſt. They are in Want of all Kinds of Proviſions, which they pay very liberally for.

September 6. The Spaniſh Snow, mentioned in this Paper to be arrived in Cape Lookout Bay, is ſailed for Spain, having left behind about a Hundred Spaniards, ſome of whom are gone to Virginia, and others go from hence in a Brig directly to Cadiz, Stephen Williams Commander. The only Perſon of Diſtinction among them, who is a Brigadier-General, ſails this Day in a Veſſel for Philadelphia, and intends making the Tour of the Continent. He has with him Twenty Thouſand Dollars.

WILLIAMSBURG, *September* 26.

Yeſterday arrived in Town, between Ten and Eleven o'Clock, the Right Honourable the Earl of Dunmore, our Governor, with Captain Foy, his Excellency's Secretary. He came from York that Morning, accompanied by his Honour the Preſident, Mr. Mr. Secretary Nelſon, and the honourable John Page, Eſq; and immediately, with thoſe Gentlemen, and the honourable Robert Carter, Eſq; repaired to the Palace, where he was ſworn in to the Adminiſtration of Government. They, with ſeveral of the principal Gentlemen in this City, who went to pay their Reſpects to his Excellency, were invited to dine at the Palace, where they ſpent the Day. In the Evening there were Illuminations, &c. as a Teſtimony of our Joy at his Excellency's ſafe Arrival, and in Gratitude to his Majeſty for appointing a Nobleman of his Abilities and good Character, to preſide over us, in the Room of our late worthy Governor.

His Lordſhip came through the Jerſeys and Philadelphia, and along the Eaſtern Shores of Maryland and this Colony, to Northampton County, from whence he croſſed the Bay to York-Town, and arrived there late on Tueſday Night.

Whoever takes up ſaid Servant, and brings him home, if in *Maryland*, Four Pounds, and if in *Virginia*, Six Pounds, and reaſonable Charges, paid by

(w3) NINIAN BRALL, Son of *Ninian*.

To be ſold by Thomas Richardſon *and Co. at their in* George-Town, PALMER's *Water, for the ſafe, and expeditious Cure of the* Stone *and* Gravel;

WHICH entirely diſſolves the Stone in the der and Kidneys, and brings it away, w the Sand and Gravelly Matter that may accomp without any Recourſe to the painful Operatio cutting and probing. On firſt taking this Wate Outſide of the Stone appears in a red, giſſly, ſcaly Form, on the Sides and Bottom of the Veſſe ceiving the Urine; but after taking it ſome Time, inſide itſelf of the Stone comes away gradually, Freeſtone Colour, either in ſmall Particles or in S and at laſt in a ſandy Subſtance. Thoſe who this Water, are deſired, for their own Satisfaction ſave the Sediment of their Urine; for as they ſee Quantity of the diſſolved Stone that comes awa creaſe, they will find their Pains and Complaints creaſe in the ſame Proportion. This Water not cleanſes the Veſſels, but the Maſs of Blood, freſh from all Acidities, ſo as to prevent the Breeding that tartarous Mucilage, from which proceeds Stone, Gout, Scurvy, Dropſy, and many o Chronic Diſeaſes. It likewiſe gives immediate Ea all Pains ariſing from internal Ulcers, eſpecially th in the Liver, Kidneys, Bladder, and Urinary Paſſa which it ſoon cleanſes, and effectually heals up. Perſons who feel Pain in the Back, Loins or Kidne attended with Difficulty or Pain in making Ur Sickneſs at the Stomach, or Dimneſs in the Eyes, taking but Three or Four Bottles of this Water, mig ſoon be thoroughly convinced, that the Stone or Gra is the Cauſe of their Complaints, which before, pe haps, they had ſpent much Time and Money, to f out the Source of, to no Purpoſe; as has been th Caſe of many People lately cured by this Medicine. In theſe Complaints, ſome have taken ſuch violen Medicines, and ſuch immoderate Exerciſe, as to mak the Stone come down ſo low, that nothing but probin could give them Relief; whereas, by merely takin this Water, the Stone has been ſoftened and brok and brought off in a ſhort Time in Pieces of differe Sizes, as may be ſeen by applying to the Perſon cured, who will juſtify the Truth hereof. Wha makes this Water more valuable is the Gentleneſs o its Operations, which is by Urine only, and th Pleaſantneſs of its Flavour. It never palls or ſicken the Stomach, but rather creates an Appetite; and what is very extraordinary, it requires no particular Diet or Confinement: So that the Patient may follow his Buſineſs, as if he had taken nothing. It may be taken by Perſons ever ſo young or old; by thoſe of the moſt delicate Conſtitution, and even labouring under a Complication of Diſorders.

Perſons of undoubted Veracity, cured by this Stone-Water, will be made known by enquiring of Mr. *Stephen Palmer*, the Proprietor, in *Warwick-Court*, *Holbourn*; or of Mr. *Robert Peacock*, at the *Golden-Lion*, near *Somerſet-Houſe*, in the *Strand*, *London*; whom Mr. *Palmer* has appointed (and him only) to diſpoſe of the ſame, with himſelf, Price 8 s Shillings a Bottle.

At the above Places may be ſeen the various Sorts of Gravel and Sediments extracted by Means of the ſaid Water. (w3)

POETS CORNER.

To Miss HALLAM,

On ſeeing her laſt Monday Night in the Character of IMOGEN.

SAY, HALLAM! to thy wond'rous Art
What Tribute ſhall I pay?
Say, wilt thou, from a feeling Heart,
Accept this votive Lay?

A votive Lay to Thee belongs,
For many a pleaſing Tear,
That fell, for INOGEN's foul Wrongs,
On fair FIDELE's Bier.

Fair, fair FIDELE! how thy Charms
The Hearts of Men Pity mov'd!
Artleſs as theirs, ſuch ſoft Alarms
My melting Boſom prov'd.

In Nature's Breaſt, ſuperior Joy
The Pow'r of Beauty wakes;
And the wild Motion of her Eye
An *eaſier Priſoner takes.*

From earlieſt Youth, with Rapture, oft
I've turn'd great SHAKESPEARE's Page;
Pleas'd, when he's gay, and ſooth'd, when ſoft,
Or kindled at his Rage.

Yet not till now, till taught by Thee,
Conceiv'd I Half his Pow'r!
I read, admiring now I ſee,
I only not adore.

Ev'n now, amid the laurel'd Choir
Of bliſsful Bards on high,
Whom liſt'ning Deities admire,
The Audience of the Sky!

Methinks I ſee his ſmiling Shade,
And hear him thus Proclaim,
"In Weſtern Worlds, to this fair Maid,
"I truſt my ſpreading Fame.

"Long have my Scenes each *Britiſh* Heart
"With warmeſt Tranſports fill'd;
"Now equal Praiſe, by HALLAM's Art,
"AMERICA ſhall yield."
